## Custom option #1

Bevelled Edged Custom album - 13" x 18":

The Beveled Album package allows for multiple pictures per page - just one or as many that can be placed on the page! The pages hold the specially designed mats being black with a white angled edge around each print.

All photography on your wedding day is included and provides unlimited photographs starting from the groom's home, then to the bride's home, the service, many locations and to the reception, staying all night if required. All images taken are placed into a preview album.
